All Natural Vegetarian Ingredients

**Kracketts**

**Mash**

**Pellets**

# BIG FEEDER LAYING FEEDS

Complete Feed - no other vitamins or minerals needed

Least cost formulation that maximizes egg production

Nutritionally balanced vitamins and trace minerals

Corn and suncured alfalfa hay meal for yellow egg yolks

## Suggested Feeding Program

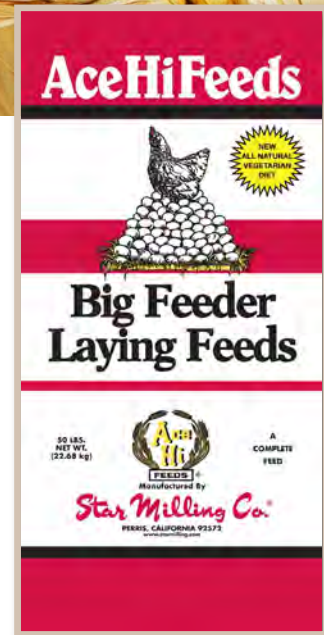

After egg production begins, feed Ace-Hi Big Feeder Laying Feeds for maximum egg production and livability.

Plan on using 1/4 lb of Ace-Hi Big Feeder Laying Feeds per hen per day. However, due to the size of the hen, time of year (summer vs. winter), age of hen and laying cycle, the feed consumption may vary.

### Important:

- Keep fresh feed and water available
- Do not overfeed or underfeed
- Feed trough should be filled from 1/2 to 2/3 full
- Provide fresh, clean water daily

| PRODUCT# | SIZE    | STYLE     |
|----------|---------|-----------|
| 35000425 | 25 lbs. | Mash      |
| 35520450 | 50 lbs. | Mash      |
| 37020425 | 25 lbs. | Kracketts |
| 37020450 | 50 lbs. | Kracketts |
| 36010450 | 50 lbs. | Pellets   |

### Guaranteed Analysis

|               |                       |
|---------------|-----------------------|
| Crude Protein |                       |
| Crude Fat     | - not less than 3.3%  |
| Crude Fiber   | - not more than 4.3%  |
| Ash           | - not more than 18.5% |
| Calcium       | -not less than 15.0%  |
| Calcium       | -not more than 3.1%   |
| Phosphorus    | - not less than 6.1%  |
| Sodium        | -not less than 6.2%   |
