

## New Equipment Installed at Star Milling Facility

*Hamer-Fischbein Model 1800 RBH  
automatic bagging system*

*Hamer RPM Basic™ Robotic Palletizer*

**March 23, 2018 - PERRIS, Calif.** - Star Milling has installed a Hamer-Fischbein Model 1800 RBH automatic bagging system and RPM Basic Robotic Palletizer. This machinery will significantly increase the quantity of their animal feed production.

“This new equipment will help us keep up with demand while maintaining the quality and consistency that our customers expect.” said Bill Cramer, President of Star Milling.

Star Milling Co.’s feeds are sold through feed stores in the Western United States and Hawaii under the brand names Ace Hi, Integrity, Kelley’s, and Ultra Balance. They also custom manufacturer for other feed companies.
