Feeding Directions

Feed as a special treat with grains and/or forages that make up the current feeding program. Not intended as a sole ration. Feed sparingly to avoid obesity.

Provide clean, fresh drinking water at all times. Store in a cool, dry, ventilated location away from rodents and insects. Do not feed if moldy, spoiled, insect/rodent infested, or if feed has an uncharacteristic odor or appearance, as it may cause illness or death. WARNING! - Do not feed to sheep. This feed contains added copper at levels that may be toxic if consumed by sheep.
