PRODUCT #	SIZE	FORM
46510850	50 lbs.	Pellet

Feeding Directions

Growing Gilts: Feed 3.5—4 lbs. per meal, and two meals per day.

10 Days Before & After Breeding: Feed 5—6 lbs. per meal, and two meals per day.

During Gestation: Feed 2.5—3 lbs. per meal, and two meals per day.

40 Days Before Farrowing: Feed 4—5 lbs. per meal, and twice per day.

10 Days After Farrowing thru Weaning: Feed 5 lbs. per meal, and twice per day.

Provide clean, fresh drinking water at all times. Store in a cool, dry, ventilated location away from rodents and insects. Do not feed if moldy, spoiled, insect/rodent infested, or if feed has an uncharacteristic odor or appearance, as it may cause illness or death. WARNING! - Do not feed to sheep. This feed contains added copper at levels that may be toxic if consumed by sheep.
