## New Product

### *Kelley's Flock Builder* Pellets

Flock Builder is a complete diet for a range of different fowl. It conveniently allows you to use a single feed for your entire flock, including laying chickens, broiler chickens, ducks, geese, pheasants, and turkeys that are at least 8 weeks old.

- A single feed for your entire flock
- Supports feather growth and egg shell quality
- 20% protein
- Digestive enzymes for gut health and fish meal for omegas
- Made in a family-owned, medication/drug-free feed mill

We are Safe Feed / Safe Food certified and are proud to have a medication/drugfree feed mill.
