

FEATURES	BENEFITS
High-Quality Protein Sources	Needed for building body tissue, skin, hair, muscle, and nervous system.
High-Quality Vitamins & Minerals	Needed for key metabolic functions, enzyme activity, nerves and electrolytic balance, precursors in building and repairing tissue.
Chelated Minerals	Minerals attached to proteins making them more bioavailable for the animal, increased absorption.
Pelleted Form	No separating or sorting of key ingredients.
Yeast Culture (Diamond V XP)	Aids in the assimilation of nutrients and provides healthy microflora.

STOCK BUILDER PELLETS

All Natural Ingredients

PRODUCT# 50110450 (50lbs)

WWW.STARMILLING.COM

Stock Builder Pellets is a supplement that will add vigor, growth, finish and bloom to any class of livestock. Formulated with vitamins, chelated minerals and yeast culture, your choice for feed when only the best will do.

GOOD FOR CATTLE

Supplementing cattle with **Stock Builder Pellets** not only gives cattle a better start but the added nutrition also helps them overcome times of stress such as showing, weaning and breeding. Supplementing brood cows should produce heavier calves at the time of weaning, this will give the producer more return for their money. Supplement to feeder calves and market steers to increase average daily gain and add extra bloom to the coat. Feed each day with the regular ration as follows:

Nursing Calves	1 lb	Brood Cows	3 lb
Show Calves	4 lb	Breeding Bulls	2 lb

GOOD FOR GOATS

Stock Builder Pellets supply needed nutrients in a concentrated form when needed the most. Top dress according to stage of growth, production or lactation. Not only will this benefit the animal on the inside, enhancing the overall nutrition, a difference will be seen on the outside with added bloom to the coat. Feed each day with the regular ration as follows:

Dry Does	1/4 lb	Nursing Kids	1/10 lb
Herd Replacements	1/4 lb	Herd Bucks	1/4 lb
Milking Does	1/2 lb	Show Stock	1/2 lb

GOOD FOR HORSES

The key for optimal health and performance is nutrition. To maximize performance and production for all levels of activity, supplement with **Stock Builder Pellets**. Whether you are feeding for the show ring, ranch or offspring, animals do better when they receive optimal nutrition. This formula with high-quality protein sources, vitamins and chelated minerals allows your horse to reach its genetic potential, both inside and out. Feed each day with the regular ration as follows:

Suckling Foal	1 lb	Pregnant Brood Mares	1/2 lb
Orphan Foal	1 lb	Lactating Mares	1 lb
Working Stallion	1 lb	Show Stock	1 lb

GOOD FOR SHEEP

Supplement sheep with **Stock Builder Pellets** to enhance weight gain during times of stress, or to achieve optimal production. Can be fed to breeding animals and show stock with added benefits to both. Feed each day with the regular ration as follows:

Nursing Lambs	1/10 lb	Lactating Ewes	1/4 lb
Weaned Lambs	1/5 lb	Breeding Rams	1/2 lb
Bred Ewes	1/5 lb	Show Stock	1/2 lb

GOOD FOR RABBITS

To enhance rabbit litter size, health and rate of gain in fryers, **Stock Builder Pellets** can be fed with the regular diet. Supplementing breeding stock during times of stress and high activity should result in higher gains for fryers, and add bloom to all rabbits' coats. Feed each day with the regular ration as follows:

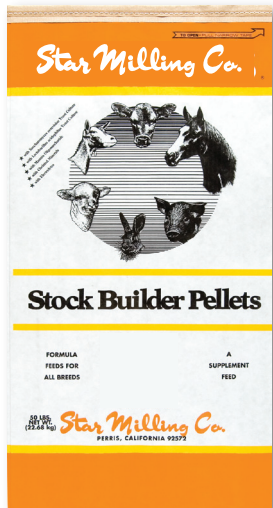

Bucks (Breeding)	1 level tablespoon	Young Fryers	1/2 tablespoon
Lactating Does	1 level tablespoon	Orphan Rabbits	1/2 tablespoon

GOOD FOR SWINE

To wean heavier pigs, have larger litter sizes, and achieve optimal nutrition, feed **Stock Builder Pellets** to swine at all levels of activity. Formulated with high-quality protein sources in a concentrated form, with vitamins and chelated minerals, **Stock Builder Pellets** meet the needs for all phases of production. Feed each day with the regular ration as follows:

Brood Sows	1/5 lb	Bred Gilts	1/4 lb
Suckling Pigs	1/5 lb	Show Hogs	1/2 lb
Breeding Boars	1/2 lb
