Feeding Directions

Feed the recommended amount of cat food daily. An adult cat may be fed the total daily amount in one feeding or fed half each morning and half each evening. Cats require fresh, clean water provided continuously throughout the day placed near the daily feeding or resting area.

5– 8 lbs.	8–10 lbs.	10–15 lbs.	15–20 lbs.
1/3–1/2 cup per day	1/2–2/3 cup per day	2/3–3/4 cup per day	3/4–1 cup per day

Provide clean, fresh drinking water at all times. Store in a cool, dry, ventilated location away from rodents and insects. Do not feed if moldy, spoiled, insect/rodent infested, or if feed has an uncharacteristic odor or appearance, as it may cause illness or death. WARNING! - Do not feed to sheep. This feed contains added copper at levels that may be toxic if consumed by sheep.
