### Feeding Directions

Mix with grain and roughage to provide 1 to 3 pounds of this product per head per day. Feed along with grains and/or forages to supplement the current feeding program. Not a complete feed. Make all feeding changes gradually.

Provide clean, fresh drinking water at all times. Store in a cool, dry, ventilated location away from rodents and insects. Do not feed if moldy, spoiled, insect/rodent infested, or if feed has an uncharacteristic odor or appearance, as it may cause illness or death.
