35700825	25 lbs.	Fine Mash

Lactobacillus Acidophilus Fermentation Product, Lactobacillus Casei Fermentation Product, Bifido Bacterium Thermophilum Fermentation Product, Enterococcus Faecium Fermentation Product, Hemice Cellulose Extract, Origanum Oil, Cinnamaldehyde, Thyme White Oil.

Feeding Directions

Have feed available to chicks at all times, in a shallow dish or appropriate chick feeder. Feed Chick Starter Mash as a sole ration continuously to chicks up to 6 weeks of age. Remove any feed that has become wet or soiled. From 6 to 18 weeks, feed 18% Grow Mash. At 18 weeks of age, feed laying hens any of Kelley's Lay Feeds. Provide clean, fresh drinking water at all times. Store in a cool, dry, ventilated location away from rodents and insects. Do not feed if moldy, spoiled, insect/rodent infested, or if feed has an uncharacteristic odor or appearance, as it may cause illness or death. **WARNING!** - Do not feed to sheep. This feed contains added copper at levels that may be toxic if consumed by sheep.
